

# 2011 Express Scripts National Preferred Formulary For Kentucky Employees' Health Plan

The following is a list of the most commonly prescribed drugs. It represents an abbreviated version of the drug list (formulary) that is at the core of your prescription-drug benefit plan. The list is not all-inclusive and does not guarantee coverage. In addition to using this list, you are encouraged to ask your doctor to prescribe generic drugs whenever appropriate.

**PLEASE NOTE:** The symbol \* next to a drug signifies that it is subject to nonformulary status when a generic is available throughout the year. For specific questions about your coverage, please call the phone number printed on your ID card.
